OPA Operations Suspended Due to COVID-19 Pandemic

March 30, 2020

Hagåtña, Guam - Governor Lourdes Leon Guerrero initially implemented a 14-day suspension of non-essential Government of Guam (GovGuam) operations effective Monday, March 16, 2020 due to the COVID-19 Pandemic. The suspension was extended through Monday, April 13, 2020 and could possibly be extended further if needed.

The Office of Public Accountability (OPA) falls under the GovGuam non-essential category and will be closed for the duration of the suspension. All audit meetings will be rescheduled after the suspension is lifted. In addition, all filing deadlines and scheduled hearings for all procurement appeals will be vacated during the suspension. OPA will update the parties once the suspension is lifted and after further instructions are given by the Governor.

Although the OPA office will be physically closed during the suspension, all OPA employees will be teleworking at their place of residence in line with Executive Order 2020-04. You may reach any OPA employee via their respective email addresses. A full listing of emails can be found in the "Contact Us" section of the OPA website at www.opaguam.org.
